Management & Policy*

SYMPOSIUM FACULTY

- **Donald Warne, MD, MPH** (*Oglala Lakota*)—AIHMP
Dr. Donald Warne has significant experience in the Indian Health Care field. His experiences range from the direct delivery of health services, to publishing original research, research capacity development, teaching and consulting. Dr. Warne has 18 years experience in working with Native American Programs. Dr. Warne is currently the President and CEO of American Indian Health Management & Policy, Inc, and he currently teaches American Indian Health Policy at the Sandra Day O'Connor College of Law at Arizona State University. Dr. Warne has also been strong advocate for the incorporation of traditional healing methods in modern medicine.
- **David Tonemah, MBA** (*Kiowa*)—AIHMP
Mr. Tonemah has over 24 years experience in Indian health services. He has accomplished the Indian Health “trifecta” having worked with the Indian Health Services, a tribal health program and an Urban Indian Health Program (“I/T/U”). He has served in various administrative and management capacities including CFO, Acting Administrative Officer, Acting Director of Administrator of Administrative and Fiscal Services and Business Administrator.
- **Carlyle Begay, MHSM** (*Navajo*)—AIHMP
Mr. Begay has a tremendous acumen and passion for health policy and business. He has focused the majority of his efforts on services related to Indian health and Indian health program development. He has experience in the management of health care organizations, managed care, health care market structure, and health care delivery. In addition to an understanding of how public policy actions affect costs, quality, and access, in the Indian health and public health care sectors.
- **Lee Olitzky, MA**—Wit2/AIHMP
- **Delight Satter, MPH** (*Grand Ronde Confederated Tribes*)—UCLA Center for Health Policy Research
- **Jill Sherman-Warne** (*Hoopa*)—Viejas Band of Kumeyaay Indians
- **Jimmy Warne, MS** (*Oglala Lakota*)—SDSU
